

# Dreaming Differently: Planning the Transition to Adult Healthcare

**A free virtual training for families who are raising children with significant intellectual or developmental disabilities and medical complexity**

Join the Youth Health Transition Initiative for a free virtual presentation and conversation to help guide families through the transition from child-centered to adult health care systems. This presentation will introduce information and provide time for conversation about the many parts of health care transition. We will also provide helpful tools and resources.

By attending we hope that you will:

- ✓ Identify where you are in the transition planning process
- ✓ Identify the timeframe when transition will occur for your child and the processes available.
- ✓ Describe the steps related to a successful transition to adult healthcare
  - Start the transition process
  - Be in the know
  - Transition to adult health care
- ✓ Prioritize the first action item you will do following the presentation.

**We are offering 2 dates during fall 2020:**

<b>Saturday, October 17</b>	<b>Wednesday, November 4</b>
<b>10-11:30am</b>	<b>5:30-7:00pm</b>
<b>Registration deadline: Thursday, October 15</b>	<b>Registration deadline: Monday, November 2</b>

**For more information or to register, go to [go.wisc.edu/dreamdifferently101120](https://go.wisc.edu/dreamdifferently101120) or contact Beth Guthrie-Moss at [guthriemoss@wisc.edu](mailto:guthriemoss@wisc.edu) Information about downloading and connecting to Zoom will be provided upon registration.**

\*This training is newly developed by the Youth Health Transition Initiative. We value your feedback and invite you to participate in a brief evaluation immediately following the presentation. We will send out more information closer to the date of the training.\*
