

Bridging the Gap:

From Child to Adult Health Systems

This session is open to families/caregivers as well as professionals.

Join us for a free presentation and conversation to help guide families through the transition from child centered to adult health systems. Youth and families are often overwhelmed and under-prepared for the transition to adult health care. This presentation will introduce and discuss when to start thinking about transition as well as provide helpful tools and resources.

DATES & TIMES: Thursday, December 15, 2022, 7-8 PM

Saturday, January 21, 2023, 8:30-9:30 AM

Monday, January 23, 2023, 6-7 PM

LOCATION: Zoom video/phone conferencing

As a result of participating in this presentation we hope you will:

- Understand what youth health care transition is and why it is important.
- Identify activities in daily life where transition occurs.
- Apply tools and resources to take an active role in the health care transition process.
- Learn how to start a health transition action plan.

For more information, or to register: Go to www.northernregionalcenter.org, use the QR code, or call 715-261-1906 or email specialneedsinfo@co.marathon.wi.us. We will email you the Zoom information along with a link to a video that introduces health transition.

This training is coordinated by the Northern Regional Center for Children and Youth with Special Health Care Needs and the Wisconsin Youth Health Transition Initiative.
